Joe splitting wood at the Curran Farm Homestead exhibit in Orrington, ME

Members' exhibits at the Bowman Field Fly In in E. Livermore, ME.

Russ sawing wood for grade stakes. Next step is to make the stakes on the other machine.

The Maine Antique Power Association is a non-profit organization established in 1973.

Mission Statement: We are dedicated to preserving America's mechanical past to help better understand the future. Maine Antique Power Association is committed to providing college scholarships for today's mechanically inclined youth.

MAPA's clubhouse is located at the Skowhegan State Fairgrounds, Skowhegan, Maine.

Members' engine displays are organized throughout the State of Maine at various functions, museums and fairs. Donations and memberships make continuing expansion possible.

Exhibits may include:

Gas/Kerosene engines of all types, including stationary and marine

Steam and hot air engines

Gas and steam models, air compressors

Outboards, lawn mowers, circular saws

Wood splitters, churns, grinders, pumps

Generators, drag saws, farm and garden tractors. Exhibits the entire family will enjoy.

MAPA welcomes new membership. Membership includes: Newsletters, membership list, annual button, membership card and an exhibitor's plaque when you exhibit at an event. Members are covered by liability insurance while at scheduled events.

Tom and Ken with a nice exhibit at a show.
