

MAINE BEARINGS

the official publication of
MAINE ANTIQUE POWER ASSOCIATION

Volume 28, Issue 4 December, 2021

Dear Member,

It has been decided to cancel the January, 2022, meeting due to the record Covid-19 infection rate.

We will play it by ear on the March meeting.

Not much to report since the November update email. Heath Tardiff & Junior member Wesley have the gifted engine from Peter Wills estate up & running after several repairs & adjustments. Good work guys!

Received a call from Pete & Shelley's daughter Samantha. Pete passed away in late November from his fourth bout of pneumonia & Shelley four days later on December 1 from cancer. Always enjoyed talking & dickering with them both & will miss them. Condolences to the family.

Reminder to everyone that membership dues & business card subscription fees for 2022 are due January 1. Individual memberships are \$20 and Family are \$30. Business card ads are \$20 per year for members & \$25 for non-members. **Carmen asks that you please include a stamped, self-addressed envelope with your dues payment if you want your membership card. With no envelope your card will be held along with your 2022 MAPA button until you attend a 2022 show or meeting.**

**Wishing all a happier New Year,
Doug**

MAINE BEARINGS

Maine Antique Power Association is a non-profit organization established in 1973.

Mission Statement: We are dedicated to preserving America's mechanical past to better help understand the future. Maine Antique Power Assn. is committed to providing college scholarships for today's mechanically inclined youth.

MAPA's clubhouse is located at the Skowhegan State Fairgrounds, Skowhegan, Maine and a second at Cumberland Fairground.

Members engine displays are organized throughout the State of Maine at various functions, museums and fairs. Donations and memberships make continuing expansion possible.

Exhibits may include:

Gasoline/Kerosene engines of all types, including stationary and marine.

Steam and hot air engines.

Gas and steam models, air compressors.

Outboards, lawn mowers, circular saws,

Wood splitters, churns, grinders, pumps,

Generators, drag saws, farm and garden

Tractors. Exhibits the entire family will enjoy!

MAINE BEARINGS
